FRIDAY FEBRUARY 9th 1940

NUMBER 45

## Boys Night At Rotary Next Monday

According to present plans, the Rotary meeting next week will be held at the 2nd Ward Church Monday evening and will be the Annual Father's and Son's night. The program will commence early, 7 p.m. possibly.

The program is not arranged yet, but the dads and lads can look forward to an enjoyable evening and something instructive in the way of talks or pictures. Fellows, don't let dad forget to keep Monday night open for you.

The program time Monday was occupied with number of flowery introductions which if the speaker had continued and tried to measure up to all of the introductions given, the Rotary would have had to had supper served too. Dr. Hall, J.W. Evans and Arnold Zabriskie gave a wonderful display of their mastery of the King's English, and we would suggest to politicians that if they could use some really eloquent and persuasive speakers either of these three could qualify. Delbert Oler, accompanied by his wife, rendered two Saxophone solos.

Quite a number of local Liberal supporters were in Lethbridge Friday afternoon for a meeting with L. E. Fairbairn, building to which the public is a Federal Liberal candidate. Campaign meetings will commence soon.

### WEDDING BELLS

LARSON — SMITH

Floyd L. Larson, who recently returned from a mission to Sweden, son of Mr. and Mrs. John L. Larson, and Doris, daughter of Mr. and Mrs. S. B. Smith, were married at the Temple on Wednesday morning, in the presence of parents and relatives, with Pres. Edw. J. Wood officiating.

A shower is being arranged by friends of the bride.

The young couple will make their home in Raymond, and they have the best wishes of a host of friends for their future happiness together.

### SOCIAL CREDIT

BANQUET SATURDAY

In connection with the Social Credit Nominating Convention here Saturday, a banquet for delegates from the various polls is planned, to be held at 12 noon in the 2nd Ward Hall. At this banquet the formalities of the Nomination will take place.

At 2 p.m. a Public meeting will be held in the High School building to which the public is invited. Hon. Solon Low, will be the principal speaker at this meeting.

## Union Jacks Defeat Fairfield By 10 Points

Basketball fans of Raymond were treated to another interesting and fast exhibition game of basketball Saturday night, when the Fairfield Independents were here to return a game the Jacks played in the Montana town several weeks ago. After a hard fight on the part of both teams the Union Jacks romped home with the bacon by a 10 point margin to finish the game 48-38.

For the first few minutes of the game the visitors dominated the floor play to a decided degree. They dunked the sphere for counters with painful regularity at times, and when the locals started their long passing which in many games gives them the needed edge, there was a Fairfield player to intercept the pass. After a time out to re-organize the play and change to a short and rapid passing game as the visitors used, the game settled down to a battle of speed on the pass and marksmanship at the hoop.

The score was tied up three times during the game, at 6 all after five minutes of play, 19 all after thirteen minutes had gone, and 26 all after four minutes of play in the second half. There was a large crowd present and when the score was tied, they almost took the roof off the Opera House. Apparently the visitors tired toward the last of the game, and the Jacks slid into the lead and maintained the lead adding to it slowly as the game progressed. It was not won, though, till the final bell, as Fairfield were always ready to snare a brace of points whenever they got within shooting range.

Hicken and Nalder of the Jacks lead the point getters, with 16 and 15 respectively, and Fjeld and Earles topped the list for the visitors with 11 and 10 to their credit. Everyone enjoyed the game, the visitors playing a fine game of basketball and they were given a great hand by the fans whenever they chalked up a smart play. As usual the Jacks were tops with the crowd and they howled

their delight whenever the Jacks rallied to tie the score or to maintain a few points advantage for a minute or two. Seldom have the Jacks showed to better advantage than they did Saturday night, their ability to re-organize their playing style, their good physical condition and endurance, and their flexible lineup, being able to substitute any position on the floor, all being points that contributed to their victory.

The game was fast and consequently rough at times. Turner had to leave the floor for a few minutes when a collision started his nose bleeding. Dunlop collided heavily with a Fairfield man and stunned him for two or three minutes, and just before the final whistle Nilsson was thumbed to the showers for his four personals, the only player to leave the floor although some on each side played the last part of the game with three fouls against them.

Boothe Card and Wilson Rolfsen had the whistles for the game.

Following is the lineup and points:

FAIRFIELD: Ness, 6; Homoluit; Earles, 10; Fjeld, 11; Delger; Tubb, 2; Hanson, 9. Total 38.

JACKS: Nalder, 15; Galbraith, 2; Hicken, 16; Nilsson, 7; Dunlop, 2; Walker, 1; Tursler, 5. Total 48.

ACES NOSE OUT "M" MEN

In a game that nearly stole the spotlight from the main game, the First Ward "M" Men of Raymond held the Lethbridge Aces to a 36-37 count after forty minutes of red hot basketball. The score was tied repeatedly through this game, and while the Aces were in the lead the greater part of the time, the Mutual team made it plenty tough for them every minute of the game, and the players on both teams were glad when the final bell said stop. If the boys of ball they dished up Saturday night they should go a long way in Mutual basketball.

## Nine Nominations For Five Vacancies

Nomination Day last Monday resulted in considerable activity in civic circles when Returning Officer Geo. Court received nine nominations for five vacancies on the Town Council and the School Board. With the exception of L. L. Palmer, School Board member, who refused to stand for re-election, the men who had completed their terms were re-nominated, and five new names were handed in during the hour of official nomination.

The nominees, with the names appearing on their papers were:

For Town Council:  
Lloyd MacPhee, nominated by Geo. Ralph, J. L. Larson and Owen King.

Jos. McLean, nominated by Percy W. Cope and Geo. Terry.  
T. Wilford Meldrum, nominated by A. W. Jones, H.C. Perks, J. H. Walker, H. F. Allen, W. C. Stone, Geo. A. Terry, J.W. Bascom and F. T. Holt.

Rulon H. Dahl, nominated by J. G. Snow, L. L. Palmer, Henry Jensen, L. John Mehew, W. C. Stone and I. B. Roberts.

For School Board:

H. Myron Holmes, Nominated by S. I. May and C. W. Lamh.  
J. G. Snow, nominated by F. Don Merrill, Henry Jensen, Murray Holt, F. T. Holt, Jr., W. L. Rolfsen, J. W. Bascom and Clifford A. Dahl.

L. J. Mehew, nominated by Percy W. Cope and K. L. Stone.  
J. C. A. Stevenson, nominated by L.L. Palmer and A.W. Jones.

Arnold H. Zabriskie nominated by Jas. H. Walker and John F. Salmon.

Balloting will take place at the Town Hall, next Monday Feb. 12th, and from the interest manifested on Monday there should be a heavy vote providing the weather is not too severe for people to get out.

## Allen And Jamieson Win Way To Finals

A large number of local fistic fans accompanied the local contingent of Cardston in a hard fought battle.

Eliminations to the battle ground Wednesday evening, at the 110 lb. class from M. Lybhart of Glenwood, and will watch the boys work out, represent the southern part of the province in Calgary. Douglas Allen was in three fights and won them all. His first bout was with Leavitt of Glenwood, his second with Wilson of Leavitt and his third with French of Hill Spring. Doug won two of the three bouts on a T. K. O. and battered his way to the finals.

Billy Lafferty, who weighs 60 lbs. met Ernest Brewer of Lethbridge, who weighs 67 lbs. and lost the decision to the Lethbridge lad in a still battle.

Bob Lafferty won his first bout from McCall Baker, both boys weighing in at 78 lbs. Then Bob went up against K. Burnham of Cardston in the finals and lost by a narrow margin to the Cardston fighter.

Stewart Robinson, in the 110

lb. class lost out to Grant Bates of Cardston in a hard fought battle. Harold Jamieson won the final in the 110 lb. class from M. Lybhart of Glenwood, and will watch the boys work out, represent the southern part of the province in Calgary.

Douglas Allen was in three fights and won them all. His first bout was with Leavitt of Glenwood, his second with Wilson of Leavitt and his third with French of Hill Spring. Doug won two of the three bouts on a T. K. O. and battered his way to the finals.

The boys made a good show of in every class and those sponsoring this work should feel encouraged over the work the boys are doing under Mr. Folson's guidance. And while the boys are talking boxing, one of Folson's former students, Stutz, of Cardston now attending the B. Y. U. recently won the Golden Gloves in the Utah boxing bouts in Ogden. Congratulations Ron.

## NEWS NOTES

Thos. Allen took delivery of a new Hudson Sedan from Raymond Motors last Friday.

ARE YOU ON THE VOTER'S LIST? If not and you have a vote, be at the Town Hall Tuesday and get your name on.

Mrs. Annie Selman was honored this week at a birthday party when fourteen friends surprised her and spent the afternoon visiting and playing rook. Refreshments were served and a very pleasant afternoon enjoyed.

The members of the local School Board & their wives were guests at the H. School Saturday night, when the girls in Miss Ririe's class in Home Economics after doing the cooking for the banquet, also served it as a part of their experience in this work. D. G. Selman told us that another banquet is to be served soon when the mothers of the girls will be the honored guests. We think we'll have to try and pull a string to get in somehow on one of these evenings. Less Palmer said last Saturday night's was a real affair.

W. J. Wilde of Wilde's Grocery left at noon Monday on a business trip to Calgary, and returned on Wednesday.

New books at the Library this week include "Story of St. Paul's Life and Letters"; "Inside Europe 1940"; "How Green Was My Valley".

On Saturday, town workmen moved the old pump house from up at the Parley McBride place to the lot behind the skating rink, and will use it for a town workshop and storeroom.

The new Municipal Hospital in Claresholm was officially opened Wednesday afternoon with Dr. Bow, deputy Minister of Health as the principal speaker. The public attended in large numbers and enjoyed the afternoon.

Bert Coombs, who has been convalescing for some weeks past is gradually gaining strength and will be able to take up his work again before many weeks. He feels pretty well but his strength and vigor is slow in coming back to him. We wish him continued improvement.

## Piney Woods Suffer Defeat From Jacks

Playing one of the finest games ever watched on a Raymond floor, our Union Jacks on Thursday night defeated the Piney Woods Colored Collegians from Mississippi by a score of 63-52 before a howling and yelling crowd of over 1,000 fans who gathered to witness a good game, but few of whom thought the Jacks would win in such a beautiful display of passing, checking and shooting.

There are a lot of maybes in connection with the game. Maybe they expected to overtake the first period lead and pass them by a small margin in the second canto. Maybe they overrated themselves and didn't expect such a small town team. There are a dozen more maybes, but the fact stands out that the Jacks earned a decisive victory. We doubt very much if the visitors planned on being beaten. It doesn't help the drawing power of a travelling team to be defeated.

Incidentally the visitors stated that in 35 games they had only been beaten twice up to last night. The half time score was 36-10.

### NEWS NOTES

Raymond was well represented at the Temple on Wednesday, especially in the afternoon and evening. A night quite a number of the men folk attended the Boxing Eliminations in Cardston.

C.W. Lee and Gordon Brewerton left Sunday morning for a trip to Salt Lake City, on business and pleasure. Lee and Gordon will return in about a week while Mr. Brewerton may remain in Salt Lake for awhile to visit with members of the family there.

Don Rodeback and his passengers had a thrill on the way to Cardston Wednesday, when for a second the steering gear stuck, and the car stopped in a friendly snow drift just off the road. T. T. Mendenhall gave the car a pull backwards and the company continued on without further trouble.

Pres. Heber J. Grant, spent a few days this week in a Los Angeles Hospital recovering from a slight illness which attacked him while on an official visit to the Stakes and missions of the Church in California. His condition was reported as not serious by his personal secretary Elder Joseph Andersen.

James Richards and Peter Barnes were executed in Birmingham Wednesday morning at 9 a.m. for a bomb slaying last December. Hundreds of police were kept on special duty fearing an outbreak, but when 9 o'clock arrived the crowd in the street faced their heads, and a few minutes later the official notice of the execution was posted.

The two small children Bobby and a half and Delores, 17 months, of Mr. and Mrs. Fred Wilson, were fatally burned in a Sunday morning fire which did considerable damage to a small two room home, started final hell gave the Cardston boys the one point victory. Cardston: Cardwell 12; L. Layton, 4; B. Layton; Wheeler, 1; Cheesman, 4; Cure 5; Sloan, 6; W. Layton, Total 36. Raymond: Stone 2; B. Wood flames. The bodies were removed by firemen, the little boy Rolfson, 4; Ehler, 8; Shaw 13. being by the bed in the bedroom and the baby in her chair in the kitchen. An inquest was held Monday afternoon.

We believe the Jacks could meet this aggregation again and win. We are of the opinion that Piney Woods expected to rub out the lead in the second half and win the game, but there were too many Jacks in the way of their passing and shooting to do it. They are nice players, and Williams and Holmes particularly are beautiful ball handlers. They had some deceiving passing that for the first few minutes of play had the Jacks wondering but when the local boys really went to work, they had the ball their full share of the time and Donny and Fred were on with a vengeance when it came to shooting, snaring 20 and 18 points apiece during the game, and bulging the twine with painful regularity from all angles of the floor. Hicken got 10 and Nader nine with Stone, Galbraith and Dunlop, 2 each.

For the visitors Williams led the scoring with 20, resorting to long shots from about one-third the length of the hall and right on the edge of the floor. He was poison on these shots, and it was really a treat to watch the pigskin sink through the circle, hardly ever touching the hoop as it went through. It was this shot that gave them as many points as they made, because the Jacks had them smothered at close in playing and Donny and Fred were checking like demons. Holmes made 10 points, Payne 8, Kent 5; and Woodson 3. Smokey Joe Saunders only played a very few minutes in the opening of the game.

Raymond had 10 fouls whistled up against them and the visitors 8, and Card and Rolfsen kept the game well in hand although it was rough.

Pages could be written on this game. We'll wind up though by saying, that Raymond can be justly proud of this year's Union Jacks, and we venture to say that if more strong visiting teams can be brought in that before spring if not now, Raymond will have one of the fastest and strongest teams ever to don the Jacks uniform. Congratulations boys.

The players and score: PINEY WOODS. Williams 20; Holmes, 15; Payne, 8; Saunders 20; Woodson 3. Total 52.

UNION JACKS: Nalder, 9; Stone, 2; Galbraith, 2; Nilsson 20; Hicken, 10; Turner, 18; Dunlop, 2; Walker. Total 63.

Smokey Joe Saunders stepped danced for the crowd during the half time rest period, and some of the boys entertained with a song.

CARDSTON WINS

The 1st Ward M. Men were hosts to the Cardston Maple Leafs in a red hot preliminary and by dint of hard work and lots of it, the Cardston boys won by a 1 point margin, the final score being 36-35 for Cardston. The score was tied repeatedly as the game progressed and at half time the Raymond boys were ahead 25-23. The crowd was wild with excitement as the dying minutes of the game saw the teams equal, then Raymond one point ahead, but a Cardston basket just before the final bell gave the Cardston boys the one point victory.

Cardston: Cardwell 12; L. Layton, 4; B. Layton; Wheeler, 1; Cheesman, 4; Cure 5; Sloan, 6; W. Layton, Total 36. Raymond: Stone 2; B. Wood flames. The bodies were removed by firemen, the little boy Rolfson, 4; Ehler, 8; Shaw 13. being by the bed in the bedroom and the baby in her chair in the kitchen. An inquest was held Monday afternoon.

Rolfson and Webster had the whistles for this fast and exciting game.

## WEEKLY LETTER

## ICE STORAGE

Ice harvest is in progress here at the Station and possibly some notes on the storage of ice would be of interest. The actual money value of ice in keeping dairy produce and other foods from deteriorating during the higher temperature periods of the year more than pays for the trouble and expense of storage, to say nothing of the enjoyment and pleasure of having ice cooled refreshments during the hot days of summer.

The ice house here, built in conjunction with the dairy room is somewhat different from most types of ice houses in that the walls and ceiling are made double and heavily insulated, and with the doors fitted tightly to prevent free circulation of air, the ice is packed without any sawdust or other insulating material. Another feature is the cooler or refrigerator compartment that is built inside of the ice storage room. By this arrangement the cooled air from around the ice surrounding the compartment serves to keep the milk and food stuff stored there in good condition during the hottest days of summer. This too without the bother of handling the ice after it has been stored and with a minimum of ice wastage. The idea of this cooler compartment should work in any well built ice house providing the walls ceiling and doors are tight enough to prevent excessive circulation of air.

## DARE YOU SPEAK IN PUBLIC

The "L" Course teaches you how to improve your voice, how to increase your vocabulary, how to develop fluency, how to express yourself effectively, how to prepare speeches and deliver them with confidence. This is the course for teachers, business executives, salespeople, and all who have to depend upon speech and personality qualities for success. Ask for our free descriptive booklet "Speaking of Words".

Our other courses include—Journalism, Story Writing, Book keeping and Shorthand. We teach all subjects of Junior and Honour Matriculation (Grades XI and XII.)

Particulars of any course in which you are interested will be mailed to you on request.

THE CANADIAN CORRESPONDENCE COLLEGE, LTD.

(Established 1902)  
229 Yonge St. Toronto, Ont.

Where an ice house is not available, however, and no ice suitable for household use is obtainable near at hand, the ice pit or ice well serves very satisfactorily for the ordinary farm needs. This ice well refrigerator, as it is aptly termed, consists merely of a pit in the ground in which a solid block of ice is formed by running a small quantity of water, usually about six inches, into the hole daily during freezing weather. A pit eight feet square and a foot ten feet deep is a good size for the average farm. The sides are boarded with cheap lumber and the bottom of the pit is fitted with a layer of gravel or crushed rock, under or over which is a layer of straw or hay to provide drainage and to heavy soils without natural drainage several past holes are dug at the bottom of the pit and filled with rock to permit the same reason the pit needs to be located on a well drained spot since the ice will not keep long if water is allowed to collect in the pit.

A small shed is built over the pit to protect the ice from rain and prevent excessive circulation of air in the pit. An important feature of the shed is the floor which is built of two layers of plank with 3 ply of building paper between. A snugly fitting trap door is built in the centre of the floor and a wooden rack or basket suspended from a pulley over head is helpful in lowering and raising the cans of milk and other foods stored above the ice. The pit is only filled with ice to within 3 or 4 feet of the top to allow for storage space.

Snow Tuesday and Wednesday to a depth of 2 or 3 inches has sharpened the weather a little, and made the roads a bit slippery in places. However everything considered, we have had a delightful winter and very little really cold weather.

## BABY CHICKS

BABY CHICKS, Sexed Pullets and Cockerels, SPECIAL Premium of Early Orders. New hatching and sexing every Monday and Thursday. Send for beautifully illustrated Poultry Book and prices. Leghorns, Barred Rocks, Rhode Island Reds, New Hampshires and Buff Orpingtons. ALL RHODE ISLAND RED FLOCKS R. C. P. SHIRLEY. OUR GUARANTEE OF REAL VALUE. COSTS NO MORE.

PROVINCIAL HATCHERIES  
10633 - 101st Street, Edmonton  
Phone 25734.

## U. G. G. URGES FURTHER PAYMENT ON 1939 CROP

An interim payment by the Canadian Wheat Board before seeding is being advocated by United Grain Growers, Limited. Following a meeting of the Board of Directors of the Company in Winnipeg last week the following telegram was despatched to members of the Cabinet Wheat Committee at Ottawa, by the president, R. S. Law.

"The Board of Directors of United Grain Growers Limited desires to urge that the Canadian Wheat Board be authorized to make a further distribution before seeding to Western wheat producers who have delivered wheat to the Board and that this should not be delayed until the whole wheat crop of nineteen thirty nine has been sold. Such a payment if made in sufficient time before spring work opens will materially assist in enabling Western agriculture to contribute its maximum strength to national production during nineteen forty. We would ask that such a payment be as large as possible in view of all existing circumstances and feel that an interim payment of not less than ten cents per bushel would be justified, with due consideration to the lower grades of wheat on which a larger payment may well be considered."

Shirley King is a patient in the Lethbridge Hospital where he had his tonsils removed and treatment for a hip that has been bothering him quite a bit.

## PROBLEMS OF EVERYDAY LIFE

By Dr. M.M. Lappin

"I am naturally an optimist," writes M. F. C. "but since my mother died I have been conscious of an utterable sense of loneliness. I keep on the old home and go to business every day. Despite the entreaties of my friends, I cannot drag myself out in the evenings. All my old zest is gone. Nothing but an awful feeling of depression is left. I take it to bed with me at night and it gets up with me in the morning. It is with me constantly. Is there anything I can do to get rid of it?"

You must first try to realize you are taking an entirely wrong view of life. Mr. F. C. I am sure it is not the view of your deceased mother, to whom you were so devoted, would wish you to take.

You have allowed yourself to become the victim of depression. The peculiar thing about depression is that it has the power to perpetuate itself until the victim begins to feel there is no way of escape and he might as well be dead.

But there is a way of escape. It is within you. However gloomy things may seem, they are seldom as bad as they seem. Winter is a dull season—no trees in leaf, no flowers in bloom, no singing birds. Everything is dead. But winter is followed by spring with renewed and quickened life. And life is much like that.

The loss of your mother was doubtless a shock to you that left physical effects. Your vitality may be low, and a lowered vitality reacts upon the spirits. Take a firmer grip of yourself. Go out among your friends and try to see the brighter side of life. Find something to do that will take your mind away from yourself and your sorrow. Somewhere there is work you can do quite apart from your calling or profession. The greatest work you can do in this world is to impart cheer to another soul and give happiness to someone who does not know happiness.

In the companionship of those upon whom you can bestow your affection, in whose interest and whose well being you can lose yourself in devotion and service, you will find the sovereign cure for your depression.

N. B. What is your problem? Address all letters and problems to: Dr. M. M. Lappin, 501 Ryrie Building, Toronto, Ont.

## A CASE OF DIG

Said The Little Red Rooster, "Gosh all hemlock, things are tough, seems that worms are getting scarcer, and I cannot get enough. What's become of all those fat ones is a mystery to me: there were thousands through that rainy spell—but now where can they be?"

The old black hen who heard him, didn't grumble or complain. She had gone through lots of dry spells, she had lived through floods of rain; so she flew up on the grindstone, and she gave her claws a whet, as she said "I've never seen the time there wasn't worms to get." She picked a new and undug spot; the earth was hard and firm, the little rooster jeered, "New ground—that's no place for a worm." The old black hen just spread her feet, she dug both fast and free, "I must go to the worms," she said, "the worms won't come to me." The rooster vainly spent the day, through habit by the ways, where fat round worms has passed in squads back in the rainy days. When nightfall found him suppleless, he growled in accents rough, "I'm hungry as a fowl can be conditions sure are tough. He turned then to the old black hen and said, "It's worse with you, for you're not only hungry, but you must be tired too. I rested while I watched for worms, so I feel fairly perk; but how are you—without worms too—and after all that work?"

The old black hen hopped to her perch and dropped her eyes to sleep, and murmured in a drowsy tone, "Young man, hear this and weep. I'm full of worms and happy, for I've dined both long and well. The worms are there as always—but I had to dig like hell."

Thos. Hamilton, School Inspector for this district, who lives in Cardston, was in Raymond Monday and attended the Rotary meeting, getting in his Rotary attendance here.

### NEWS NOTES

At the Student body elections  
Monday last Verl Meldrum was  
elected President, Betty Leavitt  
Vice-President and Bert Litch  
field as Secretary.

Lord Tweedsmuir Governor-  
General is dangerously ill from  
a concussion after a fall in Gov-  
ernment House, Ottawa. An op-  
eration was necessary today to  
try and improve his condition.

Mrs. Bill Hawkins returned  
Wednesday from the Hospital  
in Lethbridge with her new  
baby girl, and both mother and  
babe are feeling fine. Bill is a  
very proud father and says he  
hoped for a son and heir, but  
is well satisfied with the daugh-  
ter they have.

The local High School team  
met defeat in the dying minutes  
of the game last Friday night  
when the Cardston quint romped  
home with the long end of a  
44-33 score. The teams played  
quite evenly all night and the  
Comets evened the score and  
then lead, only to have the  
hopes of the fans dashed again  
when a rally on the part of  
Cardston would put the visitors  
ahead. The same evening in an  
exhibition game at Cardston, the  
Union Jacks defeated Cardston's  
Maple Leafs by a 57-41 count.

**FIRE LIGHTING PAPERS**—  
A nice sized bundle for a dime.  
Save yourself trouble when you  
want to light that fire. Get  
them at the Recorder Office.

### HOG MARKETING INCREASE IN 1939

Volume of hogs marketed in  
Canada during 1939 showed a  
substantial advance over that  
for 1938. In 1939, 3,701,061 hogs  
were marketed as against 3,239,  
798 in 1938, an increase of 461,  
263 hogs, or 14.23 per cent. All  
the Provinces, with the exception  
of the Maritimes, registered an  
increase. Although Ontario and  
Alberta marketed the great  
est number of hogs, 1,667,950  
and 979,892 respectively, the  
percentages of increase (2.23  
for Ontario and 25.17 for Al-  
berta) were less than those of  
Saskatchewan, which had an  
increase of 43.76 per cent with  
312,188 hogs marketed, and  
Manitoba with a percentage in-  
crease of 30.85 on 327,212 hogs  
marketed. Quebec marketed 336,  
573 hogs—an increase of 53,483  
hogs, or 18.89 per cent.

The detailed figures are as  
follows with the 1938 figures in  
brackets: Canada, 3,701,061  
(3,239,798) increase 461,263 or  
14.23 per cent; Alberta, 979,892  
(782,838) increase 197,054, or  
25.17 per cent; Saskatchewan,  
312,188 (217,152), increase 95,  
036, or 43.76 per cent; Mani-  
toba, 327,212 (250,055), increase  
77,157 or 30.85; Ontario, 1,667,  
950 (1,631,473), increase 36,477  
or 2.23; Quebec 336,573 (283,  
Maritime Provinces, 77,246 (80,  
087) increase 53,486 or 18.89;  
911), decrease 3,665, or 4.52.

The increase in hog produc-  
tion was reflected in a heavier  
volume of bacon exported from  
Canada to the United Kingdom.  
Exports during 1939 totalled  
199,458,916 lb., as against 163,  
489,716 lb. in 1938 an increase  
of 30,969,200 lb. for 1939.
